

AN INVITATION TO YOU TO VISIT CAROLINA'S GREATEST STORE!

Each department is well stocked with just the kind of Merchandise that Fashion Demands. In purchasing here every element of chance in not getting the correct Style is eliminated. Every bundle that crosses our counter is a bundle of satisfaction or your money back. We have chalked high figures for this Season's Sale Record—and to reach the mark no time must be lost. Consequently we are driving right in with Matchless Stock, Matchless Qualities, Matchless Styles—at most Economical Prices.

The Fame of Our Millinery

Has spread to the uttermost boundaries of the Piedmont section. The largest and most varied showing in the two Carolinas. Never before have we had such a rush of business in this department, so early in the season. There is a growing demand for Fine Millinery at economical prices, and the interest manifested in this department on the part of the public, as shown by the business being done, only shows that we are satisfying that demand in both Tailored and Dressy Designs—our stock is full. If you should not find just what you want "ready built," it can soon be built for you by artists who unquestionably know just how to do it.

The New Veilings

We carry an immense stock of Veilings of every description—Veilings for every use. We pay special attention to this department.

Matchless Values in Dress Goods.

Big selling means big values. Are you interested in Dress Goods? If so you are interested in the Dress Goods Bargains that we are offering at this store. The large purchase at 50 cents on the dollar is no means exhausted. We repeat the list for we want it firmly impressed on your mind—\$1.00 and \$1.50 Black Goods at 60 and 70 cents. A splendid selection of Serges, Panamas, Cheviots, Tansettes, Aeolians—also Fancy Weaves—All on center counter at choice—60 and 70c.

Tremendous Stock Handsome

FURS.

We have, since the beginning of our business, been the leading place for choice furs.

Very few buyers know much about Furs, consequently your safety lies in buying from people who do. The variety shown here embraces all the novelties as well as the staple styles. Don't risk buying Furs before seeing the largest and handsomest stock in the city.

Ready-to-Wear Department.

This department is indeed a busy one. The stock is large and varied, and supplemented daily by new arrivals.

Suits at most any price you wish, but in every case the quality and style you get for the price is matchless.

New Separate Skirts.

We are showing an exquisite line of the New Models. We quote a few of the many that come to mind. A Chiffon Panama, satin trimmed, with a row of large satin buttons down the front, a gored skirt—colors navy, black and brown, value \$6.50, running special at \$5.00. A fine quality Chiffon Panama in black and navy blue, gored, row large buttons down front, silk strapped, a special at \$7.98. Other handsome designs in both Voiles and Panamas at \$3.98, \$10, \$12.50 and \$16.50.

Let Felt Sailors for MISSES' CHOICE WEAR in red, navy and grey, value \$1.50. Special each 93c.

LADIES

I want to show you the prettiest and cheapest lot of crockery and glassware I ever owned. I can sell you a nice set of plates for 15c, or a set of cups and saucers for 25c. Come and look. I have it arranged so you can be your own clerk except wrapping them up. I will do that. Everything marked in plain figures.

About the only difference in my glassware and real cut-glass is, mine is not cut-glass. And the price, a set of large clear-glass tumblers 15c, while they last. A 42-piece dinner-set in best decorated crockery at \$3.95. Catalogue houses get \$5.98 for a set just like this.

Gentlemen.

Look at my line of pants. I can fit you. The price one-half the worth. Something good for you in tailor-made suits if I can fit you. Oil, nutmeg, soda, pepper and tobacco same old price.

Time FOR SHOES

This Cold Snap says 'Barefoot' Time is Over.

We prepared for this time a good bit ago and we have a line of Shoes that can't be duplicated as to quality or price. To see them is to wear them. Some of our specials are:

A Good Coarse Leather Shoe for \$1.00. This shoe usually retails for \$1.25 and is cheap at that price.

A No. 1 Good Shoe—"Mule Skin"—in both Plain and Cap Toe, going at \$1.25. You pay elsewhere \$1.50 for this same shoe and get a bargain at the price.

Men's Brogans at \$1.25 and \$1.50 with and without Tap Soles. These are the shoes you have been paying \$1.50 and \$1.65 for, and thought you were getting value received.

"Number 220," Cap Toe, Extra Heavy Tan, High Cut, Work Shoe. Well worth \$2.50, but as long as we have your size you can get in a pair for \$2.00.

A splendid line of Children's Shoes from 25c. to \$2.00.

The shoes are all good solid leathers and are the best values we have ever been able to offer to our customers.

Don't be fooled by talk of "just as good" for you can't beat these values and prices outside the factory. Come and see for yourself.
